

How to do a Chapter Summary

- * Read the chapter through five times then fill out the following “10-C’s”
- * Caption—give the chapter a short descriptive title
- * Contents—describe, summarize, paraphrase, outline, or list the major points

How to do a Chapter Summary

- * Chief People—list the most important people and ask “who, what, when, where, and why”
- * Choice Verse—choose a verse that summarizes the chapter or speaks to you personally
- * Crucial Word(s)—write down the key word or words and definition(s)

How to do a Chapter Summary

- * Challenges—list any difficulties or question you have about the passage
- * Cross References—look up other verses that help clarify what the chapter is saying
- * Christ Seen—what can you learn about the nature of Jesus Christ, the Holy Spirit, or God the Father from this chapter

How to do a Chapter Summary

- * Central Lesson(s)—write down major principles, insights, and lessons you learn from this chapter
- * Conclusion—apply the lessons learned using the “how to apply” study
